

Make your workplace more diverse and inclusive

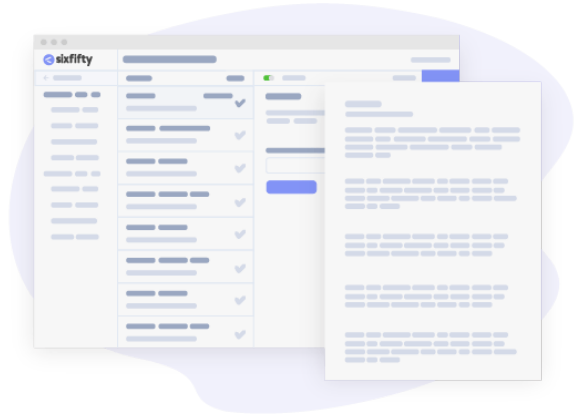

We worked with the most diverse big law firm in the nation to think through what businesses need to develop a diversity and inclusion program. We then automated it to make to save you time, money, and stress

POWERED BY WILSON SONSINI

Diversity and Inclusion Plan of Action

We've thought through some of the key issues to consider when implementing a diversity and inclusion program. We'll run you through some questions regarding your business and give you guidance to help you cover the bases.

Customizable Policies and Supporting Documentation

Don't pay tens of thousands of dollars to have an attorney draft diversity and inclusion documents from scratch. We worked with the best employment attorneys in the world to automate what you need. SixFifty's diversity and inclusion documentation includes:

- Diversity and Inclusion Assessment
- Diversity and Inclusion Survey
- Candidate Evaluation Form

- Anti-Discrimination Policy
- Affinity Group Policy
- Exit Interview Questionnaire

Tracking Comments and Complaints about Diversity and Inclusion

Confidentially collect comments and complaints about workplace discrimination and your diversity and inclusion using a secure portal. Track progress as your diversity and inclusion program progresses
